Each of you will write a scientific paper, that is, a master's thesis. The Department of Civil law studies has appointed a scientific supervisor for each of you, with whom you will work on your dissertation.

By February 23, you must send the subject of your master's thesis, which you are interested in, to the brivero@tut.by e-mail address and indicate your surname and first name. If you do not send the subject of your scientific interests by February 23, the Department of Civil Law will assign you the subject of the master's thesis. On February 23, you will be sent the e-mail addresses of your scientific supervisor for further collaboration.
