

12 апреля 2021 года прошло очередное on-line совещание по проекту программы Erasmus+ «Развитие направленного на студентов практико-ориентированного образования в области моделирования киберфизических систем» (акроним «CybPhys»), в котором принимает участие факультет физики и информационных технологий ГГУ имени Ф. Скорины. В рамках совещания были заслушаны отчеты о текущем состоянии проекта.

Подробнее о проекте <http://old.gsu.by/mundus/Erasmus+.asp>

The image shows a Zoom meeting window with a presentation slide. The slide features logos for the Erasmus+ Programme, Riga Technical University, and the CybPhys project. The main title is 'Development of practically-oriented student-centred education in the field of modelling of Cyber-Physical Systems - CybPhys'. Below the title, it says 'CybPhys: Management meeting and WS', 'Zoom meeting', and 'April 12th 2021'. At the bottom right, it identifies 'Anatolijs Zaičevs' as the 'Project coordinator' at 'Riga Technical University'. A vertical strip of video thumbnails is visible on the right side of the slide.

Co-funded by the Erasmus+ Programme of the European Union
